

# Give the

# GIFT of MEMBERSHIP

*Present a world of opportunity*

**When you give the gift of an IEEE Membership,** you're helping someone you care about build a platform for success. That's because IEEE delivers access to the industry's most essential technical information, provides both local and global networking opportunities, and offers career development tools, local humanitarian opportunities and discounts on conference registrations and insurance programs as well as many other exclusive member benefits.

- Professional Growth**
  - 
  - Collaboration**
    -
  - Global Network**
    - 
    - Career Resources**

## Gift Student Membership

**Whether your student is in an undergraduate or graduate degree program,** IEEE offers unparalleled experiences both on campus and off. Most universities have an active IEEE student member community that sponsors events, competitions, and more. After graduation, IEEE offers the career tools and resources today's students need to get a jumpstart on their careers.

## Gift Professional Membership

**IEEE offers its members the right tools and resources at every career stage,** so members can stay current in their chosen technology profession, connect with peers, and invest in their future. So get someone started today.

*In addition to IEEE membership,  
consider the opportunity to add  
IEEE Robotics and Automation Society.*

The Society is interested in both applied and theoretical issues in robotics and automation. Robotics is here defined to include intelligent machines and systems; whereas automation includes the use of automated methods in various applications to improve performance and productivity.

## Gain Expertise and Open Career Doors

IEEE houses an unrivaled network of professionals, experts, and advisors that can help shape your career, offer resources to acquire new skills, advance your professional development, and provide numerous opportunities for involvement, recognition, and reward.

## Stay Current and Get Ahead

Membership grants you access to the largest library of electrical engineering, computer science, and electronics technical literature as well as the latest technology trends, industry news, and events.

## Build a Network

Collaborate with IEEE colleagues and member groups, online or in person, to build a support group for your profession, industry, or project.

## Discounts

IEEE members can take advantage of exclusive and discounted pricing on insurance and a variety of products and services (where available) that can add up to substantial savings.

## 2020 IEEE Membership Rates

IEEE member dues and regional assessments are based on where you live and when you apply. Membership is based on the calendar year from 1 January through 31 December.
