

T-ASE Special Issue - Invitation of Papers

20th IEEE International Conference on Automation Science and Engineering

IEEE Transactions on Automation Science and Engineering

The 20th annual IEEE International Conference on Automation Science and Engineering (CASE) sponsored by the IEEE Robotics and Automation Society (RAS), was held on August 28th – September 1st 2024 in Bari, Italy. IEEE CASE is the flagship automation conference of IEEE RAS and constitutes the primary forum for cross-industry and multidisciplinary research in automation. Its goal was to provide broad coverage and dissemination of foundational research in automation among researchers and practitioners.

This edition of the conference was under the motto “Automation everywhere for better and smarter living”, gathering experts from academia and industry to report on recent developments, trends and research results.

The special issue aims to publish original, significant and visionary automation papers describing scientific methods and technologies emerged during the presentations and discussions at CASE 2024. Submissions of the best rated papers are invited.

Planned Publication Schedule

- October 15th, 2024: invitation to paper submission
- February 15th, 2025: paper submission deadline
- June 15th, 2025: completion of the first-round review
- October 15th, 2025: completion of the second-round review
- December 15th, 2025: final submission due
- March 15th, 2026: tentative publication date

Guest Editors

- Prof. Carla Seatzu, University of Cagliari, Italy, carla.seatzu@unica.it
- Prof. Birgit Vogel-Heuser, Technical University of Munich, Germany, vogel-heuser@tum.de
- Dr.-Ing. Paolo Scarabaggio, Polytechnic of Bari, Italy, paolo.scarabaggio@poliba.it
- Prof. Jingang Yi, Rutgers University, New Jersey, US, jgyi@soe.rutgers.edu
- Prof. Michael Yu Wang, Great Bay University, China, mywang@gbu.edu.cn
- Prof. Qianchuan Zhao, Tsinghua University, China, qiang.huang@usc.edu
